***The Screwtape Letters* Study Guide Name_____ Date_____**

Letter 6

1. In the first paragraph, Lewis writes," He wants men to be concerned with what they do; our business is to keep them thinking about what will happen to them." What do you think he means?

2. Screwtape advises Wormwood, "In all activities of mind which favor our cause, encourage the patient to be un-self-conscious and to concentrate on the object, but in all activities favorable to the Enemy bend his mind back on itself." What should we glean from this bit of mischievous advice?

3. Lewis talks about concentric circles of the self. Why is this important idea?

Letter 7

1. What is the meaning of the term "religion of science"?

2. What does Lewis tell us about modern-day depictions of the devil?

3. What are the dangers inherent in becoming exceedingly involved in a "Cause'?
