

GRAPHING – UNIT #2

This packet corresponds with Chapter 5 and 6 of your textbook. The list below tells you what section will be covered each day and the pages that are assigned as the homework. (Please do not do the whole packet all at once.) On some nights part of your homework is to read the section that will be covered the next day. If there are questions or problems in the reading do you best to answer them. Each day in class the homework will either be initialed if it is completed or comments will be made as to what you must do. On the day we do the Round Group Review, packet will be graded according to those marks. If you were asked to do, redo or finish something, you must in order to get credit. The grade for the packet will be entered in as 4 assignment grades. Periodically, I may pick up the packet and check for completeness. Each time that is done, the grade will be 1 assignment grade.

General Directions: You will need a straight edge (a ruler or protractor) and graph paper. When doing the slope, you must put as many points on the graph that will fit. All lines are to be drawn all the way across the coordinate plane with the straight edge. They must have arrows and be labeled with the equation of the line. Only one line is to be graphed on a set of axes unless specifically stated otherwise.

Date Assigned	Section	Topic	Homework	Date Due
Tu 11/6		Graphing Unit #1 Test	Extra Credit, p. 2, 3	W 11/7
W 11/7	G	Finding Slope Graphically	Pages 5, 6	Th 11/8
Th 11/8	H	Finding Slope Algebraically	Page 7	F 11/9
F 11/9		Review	Pages 8	M 11/12
M 11/12		Review	Page 9, 10	Tu 11/13
Tu 11/13	I	Writing Equations in Slope Intercept Form	Page 11	W 11/14
W 11/14		Review	Pages 12, 13	Th 11/15
Th 11/15	J	Graphing Using m and b	Pages 14, 15	F 11/16
F 11/16	K	Graphing Equations Using m and b	Page 16	M 11/19
M 11/19		Review	Page 17	Tu 11/20
Tu 11/27		Review	Page 18	W 11/28
W 11/28		Review	Finish CW activity	Th 11/29
Th 11/29		Review	Page 19	F 11/30
F 11/30		Review	Pages 20, 21	M 12/3
M 12/3		Round Groups	RD GR worksheets	Tu 12/4
Tu 12/4		Graphing Unit #2 Test	Extra Credit	W 12/5
