

April 16, 2007

Dear Parents,

St. Pius is offering a summer course for rising 9<sup>th</sup> grade CP2 math students who need to practice their math skills. This course is designed to help students with the fundamentals of math. Some of the topics that will be covered are the four basic operations with integers, fractions and decimals, simplifying and evaluating expressions, and percents. Given that practice is what makes for success in any math class, this course will offer many practice problems and activities in a relaxed atmosphere to help your child feel more confident about these math concepts. Since the incoming freshmen are coming from many different schools, this course will provide not only good practice, but also a chance to meet future classmates.

This class is an eight hour tutorial consisting of four classes, two hours each day, at a cost of \$110.00. It is open to any student who is enrolled in Algebra One CP2 for the 2007-2008 school year. The course will be held at St. Pius and taught by Mrs. Dena Peck. In order to accommodate family vacations and individual schedules there are two sessions offered:

SESSION 1: Tuesday, July 24 – Friday, July 27 from 8:30 a.m. – 10:30 a.m.

SESSION 2: Monday, July 30 – Thursday, August 2 from 8:30 a.m. – 10:30 a.m.

Attached is a registration form for your convenience. Registration forms are also available on my website. Since only a limited number of spaces are available in each session, students will be accepted on a first come first serve basis. Mark your session preference on the registration form. A \$55.00 deposit is required at the time of registration with the balance of \$55.00 due on the first day of class. Make checks payable to St. Pius X Catholic High School and include the student's name and Algebra Refresher on the check. Please send your check and completed registration form by Friday, June 29<sup>th</sup>, to St. Pius Attention: Dena Peck (Math Enrichment). Once your registration has been received, you will be notified by email (or phone message). If you should have to cancel your registration please let me know immediately. A full refund will be given if you cancel BEFORE the deadline, June 29<sup>th</sup>. However, if you cancel AFTER the deadline, the \$55.00 deposit will NOT be refunded. For more information, please email me at [dpeck@spx.org](mailto:dpeck@spx.org). If you do not have email, call 404-636-3023 ext. 295.

Sincerely,

Dena A. Peck
