

**Algebra II**  
**27.13**  
**Gray Walts**

**August 2008**

1. The textbook for this class is Gustafson Frisk: Intermediate Algebra.
2. The following materials need to be brought to class **DAILY**: the **text**, the **completed assignment**, an organized **math binder**, a **TI calculator**, and **PENCILS** (work done in pen will result in a 10 point deduction). These materials are essential for success in this class.

\_\_\_\_\_ **Initials**

3. Students can expect 5-6 tests and at least weekly quizzes this semester. Homework will be assigned daily along with sample problems. It is very important to keep up with your work. Students who are absent are responsible for getting the notes and homework. Students will be able to get information online at [www. brookscole.com](http://www.brookscole.com). **Neither late homework nor answers only will be accepted! If a calculator is used the basic steps must be written.**

\_\_\_\_\_ **Initials**

4. Students will keep an organized **math binder**. This binder must be a 3 ring binder with section dividers, lined paper, and graph paper. All notes and assignments must be kept in this binder along with returned worksheets, quizzes, and tests. The organization and completeness of this binder will be very helpful for the student.

\_\_\_\_\_ **Initials**

5. Tests normally need to be made up within 1 week. The **student** is responsible for arranging this with the teacher. Until the test is made up the grade will appear as a zero in the grade book.

6. Students are expected to follow all the rules in the student handbook. **Inappropriate talking is disturbing to the teacher and other students and will not be allowed.** I do not expect any behavior problems. Should any arise the student will be given a detention and could possibly expect a call to the parent.

7. The final grade will be calculated as follows:

Tests 50%

Quizzes 20%

Homework 15%

Exam 15%

8. I'm very happy to be teaching this class and want to help the students in any way that I can. Additional help is available before and after school. Please see me to schedule an appointment. You can always contact me at [gwalts@spx.org](mailto:gwalts@spx.org) or call 404-636-3023 ext. 359.
