

## Business Law Paper – Contract Law

### ***Option 1:***

Write a position paper on the benefits or detriments of tort reform. Should punitive damages be reduced or capped and what effect will that have on all constituents? What is a realistic solution to the problem of outlandish judgments and lawsuits?

### ***Option 2:***

Write a position paper on the presidential candidates' views of tort reform. Choose one candidate and state what specifically will they do when elected? What will they be able to do with the current makeup of Congress? Will their position be best for individual consumers? For lawyers? For insurance companies?
