

## *A Tradition of Excellence*

The Golden Lions will be looking to win back to back region titles in 2011 after taking both the Girls and Boys Region 5 AAA championships in the spring of 2010. The successful campaigns of the past year add to a long history of success at the region and state levels. Over the past six years (2005 – 2010) they have won 7 region championships (Girls 3 / Boys 4) and finished in the top twelve at state each year including State Championships for both teams in 2006 and a state runner-up finish for the girls in 2010.

Over the years many Golden Lion track & field athletes have continued their track & field careers at the collegiate level. Schools such as:
