SPAS and SPX Fine Arts

St. Pius X Arts Society (SPAS) is an organization that assists the school's Fine Arts Program. Our mission is to promote, support and supplement the needs of SPX Fine Arts students and their teachers in a spiritual environment.

With the dedication and support of the sponsors and members of SPAS, the Fine Arts Program hosts guest artists, offers innovative new courses, enhances facilities and productions, provides student scholarships and much more.

The SPX Fine Arts Department includes:

Band	Chorus
Dance	Drama
Guitar	Music Technology
Tech Crew	Visual Arts

There are 11 Fine Arts events each year that total 23 performances. Last year, over 6,000 patrons enjoyed one or more of the outstanding Fine Arts productions at St. Pius X!

The Fine Arts are vitally important for students – fostering creativity, innovation and both independence and teamwork. Your sponsorship of SPAS provides enriched educational opportunities that can impact students throughout their lives.
