

Summer 2022 Academic Enrichment

St. Pius X Catholic High School

In order to help prepare students academically for the 2022-2023 school year, St. Pius X is offering several academic course opportunities this summer in the subjects of math, world language and English. These courses also offer freshmen the opportunity to become more comfortable with the St. Pius X setting and meet new friends before starting school in August. Each session will consist of four classes lasting two hours. Information and the online registration forms for all classes are available under "Enrichment" on the Academics tab of the St. Pius X website. Early bird registration ends July 1, 2022. Starting July 2, the cost per session is \$150.
